USMCA Faces Uncertainty as Donald Trump Declines Automatic Renewal

Why is it in News?

- US President Donald Trump has indicated that he does not support automatically renewing the United States–Mexico–Canada Agreement (USMCA). Instead, he wants the agreement to undergo a full review before deciding whether to extend, modify, or replace it.

Key Highlights

- President Donald Trump has said that the USMCA should not be automatically renewed.
- He has called for a comprehensive review of the agreement before its scheduled review in 2026.
- Trump believes that trade agreements should be reassessed regularly to ensure they continue to serve US economic and strategic interests.
- Any changes to the agreement would require negotiations among the United States, Canada, and Mexico.
- Businesses and investors are closely watching the review process because it could affect trade rules, supply chains, and investment decisions across North America.

What is USMCA?

- The United States–Mexico–Canada Agreement (USMCA) is a free trade agreement between the United States, Canada, and Mexico. It replaced the North American Free Trade Agreement (NAFTA) to modernise trade rules and strengthen economic cooperation among the three countries.

Q. Which trade agreement was replaced by the United States–Mexico–Canada Agreement (USMCA)? **North American Free Trade Agreement (NAFTA)**

UIDAI ENABLES FREE EMAIL UPDATE VIA AADHAAR APP

UIDAI Enables Free Email ID Update Through Aadhaar App for Six Months

- The Unique Identification Authority of India (UIDAI) has introduced a new feature in the Aadhaar App that allows residents to add or update their registered email ID directly through the app, eliminating the need to visit an Aadhaar Seva Kendra. The service became effective from 1 July 2026 and will remain free for six months on both Android and iOS platforms. Within two days of its launch, over 2.5 lakh users had already updated their email IDs using the app. The initiative aims to improve citizen convenience, strengthen digital identity security, and support the Digital India and Viksit Bharat initiatives.

What is the New Aadhaar Email Update Feature?

- The new feature enables Aadhaar holders to add or modify their registered email address directly through the Aadhaar App without visiting an enrolment or update centre. Linking an email ID with Aadhaar allows users to receive real-time email alerts whenever Aadhaar authentication is carried out, enhancing transparency and protection against identity misuse.

Q. Which organisation launched the facility to update Aadhaar-linked email IDs through the Aadhaar App free of cost for six months? **Unique Identification Authority of India (UIDAI).**

CG SEMI OSAT Facility

In the august presence of

Shri Narendra Modi
Hon'ble Prime Minister

PM Modi Inaugurates CG Semiconductor OSAT Facility in Gujarat

- Prime Minister Narendra Modi inaugurated the CG Semi Outsourced Semiconductor Assembly and Test (OSAT) facility at Sanand, Gujarat, marking a major milestone in India's semiconductor mission. Built with an investment of ₹7,500 crore, the facility has commenced commercial production and is expected to strengthen India's domestic semiconductor ecosystem, reduce import dependence, and enhance the country's position in the global semiconductor value chain. During the inauguration, the first semiconductor chips produced at the facility were flagged off for export to Japan.

What is the CG Semi OSAT Facility?

- The CG Semi OSAT (Outsourced Semiconductor Assembly and Test) facility is India's advanced semiconductor packaging and testing plant established by CG Power and Industrial Solutions Ltd. in collaboration with Renesas Electronics (Japan) and Stars Microelectronics (Thailand). The facility performs the final stages of semiconductor manufacturing by assembling, packaging, and testing semiconductor chips before they are integrated into electronic devices.
